

שְׁלוֹם עֲלֵיכֶם

SHALOM ALEIKHEM:
A TIME TO IMAGINE!

Shalom Aleikhem is a song about welcoming angels, messengers of God, into our life:

IMAGINE a place where we welcome every guest as if they are a messenger of God!

Shalom Aleikhem is a 450 year old song about welcoming Shabbat based on the teaching of Rabbi Jose ben Rabbi Judah.

Rabbi Jose taught that we should create such a warm and inviting atmosphere that we are able to shout:

We hope every Shabbat is just like this one!

IMAGINE Shabbat moments that we hope will last forever!

Shalom Aleikhem is about creating peace in the world:

IMAGINE a time when our relationships can create שְׁלוֹם peace in our world!

IMAGINE!
